Shopping

TIP: While you're shopping, click on the arrows to hide the showroom Collections panel. To return to the showroom, you'll need to close the shopping window rather than clicking on the showroom navigation.

Add to Cart

Once you have clicked on a product, select your quantity and click add to cart.

Return to the Showroom

When you are done shopping the collection, simply close the shopping window to return to the showroom.

Continue Shopping

As you move around the showroom, shop different collections and add products to your cart. Your cart will save and you won't need to sign in again unless you leave the showroom from your browser window. Don't worry, your cart will be saved for 30 days. Sign back in to your account at any time to continue shopping and check out.

Check Out

When you're ready to check out, sign in, go to your cart and click Check Out.

TIP: you can find your cart by opening ANY shopping window within the showroom then clicking on the bag icon in the top right corner.

Remember to take advantage of our show specials! Follow the instructions in the cart to ensure you order qualifies for any current promotions. Specials can be found at www.demdacoretailers.com/sales-programs/
